**Oglebay's Winter Festival of Lights**  
Saturday, December 5, 2015

**(D)** For over 25 years, **Oglebay's annual Winter Festival of Lights** has delighted visitors of all ages with its colorful holiday tableaux decorated with millions of twinkling lights. Favorite displays include the animated drive-through "Snowflake Tunnel," the massive "Polyhedron Star," emblazoned with over 2,000 lights and the "Poinsettia Wreath and Candles," standing over sixty feet tall!

Our itinerary includes visits to the following:

**Carriage House Glass Museum:** View displays of over 3,000 examples of West Virginia glass made from 1829 to 1839, including lead crystal and Victorian glass. One special piece – the lead crystal Sweeney Punch Bowl standing five feet tall and weighing an impressive 225 pounds.

**Mansion Museum:** Each year, local decorators choose a different theme to make the mansion sparkle and glow with holiday cheer. Perhaps you'll find some inspiration for your own holiday decorating.

**The Shops of Oglebay:** Time is included for you to browse the hilltop shops. Items include: gourmet and regionally produced food products, wine, Christmas decorations, bath and skin care products, candles, art glass and more.

Later, enjoy an included **Dinner Buffet** at the resort's **Wilson Lodge**. Following dinner, our local guide will board our motorcoach for a narrated tour through the **Festival of Lights** display. After our tour, we depart for home.
